I would like to extend a warm welcome on behalf of myself and the residents of Barrie – Springwater – Oro-Medonte to all the participants in the Barrie Kiwanis Music Festival.

This festival brings many enthusiastic and like-minded people together as the festival welcomes over five hundred entries in categories such as piano, string, voice and music theatre, and school and community ensembles. These entries will be featured at five venues in Barrie and area. This truly is a great example of a community event with immeasurable efforts from many volunteers and organizing teams. The impact of this festival for our community is significant with recognition and encouragement for musicians of all ages. Congratulations to all those involved for creating a great festival experience for so many to enjoy.

Thank you to each participant for their passion, commitment, and dedication to music and for the willingness to share your talent, and to the parents and friends who continue to support those goals and cheer these artists on day after day. Finally thank you to adjudicators who travel from across Ontario to be here and share their own talent and wisdom.

Music brings people together. Music is powerful. A few notes can quickly bring a smile or even a tear. Music unites us.

I welcome you all to our community to celebrate music and all the gifts it brings. And I wish you all great success at the Barrie Kiwanis Music Festival.

Sincerely,

Welcome to the Barrie Kiwanis Music Festival!

I'm Doug Downey, Member of Provincial Parliament for Barrie – Springwater – Oro-Medonte, and I am thrilled to welcome you to this wonderful event taking place across our community. The Kiwanis Music Festival has been a hallmark event in our area for many years, and has fostered and developed the musical education of people from all walks of life.

This festival allows for over 500 different musicians to share their gifts and to be graded in a competitive setting, across multiple disciplines, including Piano, Strings, Voice and Music Theatre, as well as School and Community Ensembles. These talented musicians take to the stage during the month of April and remind us all of the power of music and how it can impact our lives. To all of our competitors, I want to congratulate you on your achievements thus far. Sharing your talent often impacts others in ways you may never know. The pursuit of musical excellence is never easy, but always worthwhile. Congratulations on all you have achieved thus far, and all you will achieve during this festival.

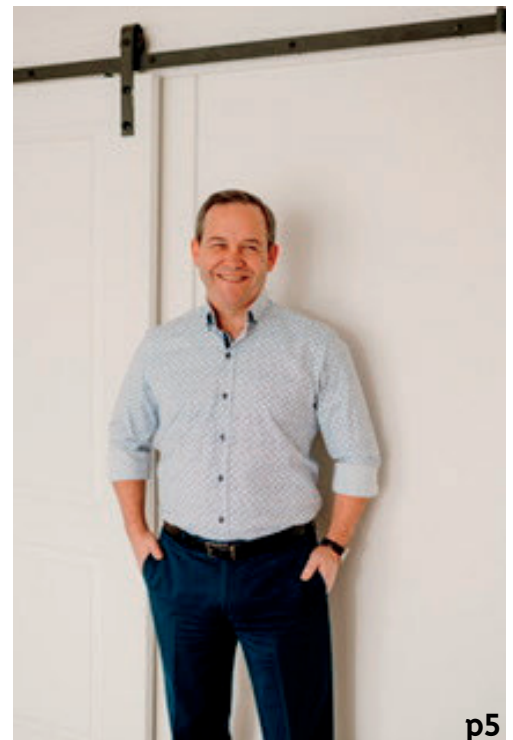

It is also important to thank those who support the participants in this festival. The music teachers, choir directors, and accompanying musicians create a space in which musical excellence may be pursued and achieved. Their dedication to sharing knowledge and their passion for music continues to inspire future generations to pursue a musical education.

To the parents, guardians, family members, friends and supporters, thank you for sharing in your loved one's desire to pursue music. I am sure you already see the benefits of a musical education in their life. These are important skills that your children will take with them as they grow.

Finally, I want to thank the Barrie Kiwanis Festival for continuing to host this event in our riding. This festival is an incredible showcase, not only of local talent, but of the city of Barrie itself. With five venues participating across Barrie and Simcoe County, the best of our region is once again on display. Thank you to these host venues for participating again in the Kiwanis Music Festival. Your support makes this possible.

I hope everyone enjoys the music, the talent, and the sense of comradery that comes with events like these. Should you need anything from my office during this festival, please do not hesitate to ask, and my team will do their best to help you.

Once again, I wish to say thank you to all involved in making this festival possible, and break a leg to all competitors!

On behalf of the Barrie Music Festival Association Board, welcome to the 40th Annual Barrie Kiwanis Music Festival. This year we are once again privileged to to present a live Festival for our community.

Many people have contributed to these wonderful Festival weeks in April. The performers have studied diligently, supported by family and friends. The guidance of teachers has been key to their development as presenters and musicians. During the Festival, adjudicators encourage and offer a variety of perspectives to help the students continue to grow musically.

Throughout the year a dedicated community of volunteers, donors and supporters of the arts work to make our festival a reality each April. Fundraising and scholarship donations are integral to our continued operation. During the Festival itself, many volunteers assist the adjudicators, welcome the performers and cheerfully answer questions. We thank each and every person for their continuing support.

We are all looking forward to the performances of our talented young people during the coming weeks. Enjoy the Festival!

LET'S Celebrate

Welcome to the 40th Anniversary of the Barrie Kiwanis Music Festival!! There are so many exciting things to celebrate!

Let's celebrate being back in person for the first time since 2019! Music is meant for sharing. It is wonderful that our talented participants who have been working hard to prepare their performances, get to share their music with a live audience again! I encourage you to live the moment! The hard work is done; enjoy your chance to share that on stage. Celebrate the performances of your peers by listening intently to what they are presenting. You will learn much from your fellow musicians and their performances while you are here!

We celebrate the parents and families who have supported the musicians in their preparations to be here and throughout their musical studies. We know that you are celebrating this amazing opportunity your children are embracing and the courage that they show in choosing to accept the challenge of participating in a Music Festival. No matter the outcome, each and every one of them will have grown personally from this experience: growth that will have a positive impact in all facets of their life.

We celebrate the return of the Kiwanis Club of Barrie as a supporting organization of this Festival and we celebrate a fantastic Board of Directors who work tirelessly behind the scenes to ensure this Festival continues. Without the significant amount of time that they put in, to such things as Delta Bingo and Kidney Clothes fundraisers, this Festival would not be able to operate in any sort of way that would make it financially accessible for participants. Thank you to both groups for all that you do that has kept the Festival running for each of the past 40 years!!

We celebrate our amazing volunteers. Without those people who are there to greet you with a smile and the information that you need, when you arrive to perform and keep our adjudicator paperwork organized, this Festival could not run. Thank you for coming out year after year and volunteering your time to make it happen. We truly appreciate you.

And above all else, we celebrate MUSIC as it is the music that drives us all to prepare a performance, to support our children, to volunteer our time and to support an organization such as this. It is the music that feeds us and keeps us moving forward year after year, so please sit back, enjoy the music and celebrate!! Thank you for being here!

KIWANIS CLUB OF BARRIE

Clark Bryan, BMus'90, Mmus'92 is an award-winning concert pianist and has performed internationally, recorded 14 CDs and has been featured on radio and television. During the Pandemic, Clark has recorded over a thousand piano works on You Tube. As a teacher, Bryan has taught thousands of students, adjudicated more than 70 music festivals coast-to-coast in Canada, given dozens of workshops and written a book, "Gateways to Learning and Memory".

In 2004, he founded The Aeolian Performing Arts Centre. Today, this historic and legendary Centre is recognized as a beacon for arts and culture in Ontario and regularly hosts musical artists of many genres and is prized for the gift of intimacy and acoustics it provides to both audiences and performers.

Bryan believes that everyone should have universal access to music, art and culture. Because of this belief, he launched El Sistema Aeolian in 2011. This free, UNESCO award-winning program has offered more than a thousand children and youth an opportunity to experience the joy of a rich musical education. "Music is one of the most powerful tools we have for social change today," he says. In all his roles at El Sistema – teacher, administrator, and executive, he displays a progressive, social-justice mindset. Whether incorporating mindfulness exercises with music lessons or arranging for ensembles to perform with celebrity musicians such as Ashley MacIsaac, The Canadian Brass or Stephan Moccio, he is consistently researching and applying new ways to make music education more engaging. Other activities have included co-founding two new programs. Aeolian Pride Choruses, choirs open to people of all backgrounds and identities and Rebelheart Collective, a conductor-less chamber orchestra that offers mentorship to young apprentices and offers free tickets to every concert. Bryan was awarded Musical Personality of the Year (2005) and won a Jack Richardson Award for Community Contribution (2011). In 2017, Mr. Bryan was given the Western Alumni Award of Merit and inducted into the Don Wright Faculty of Music Wall of Fame. In 2018, Clark was recognized with a Canada 150 Award through the House of Commons for his contributions to community and the nation. In 2022, Clark won Best Classical Solo Musician at Forest City London Music Awards. In 2023, Bryan was featured in a book about London by renowned author Richard Bain. Bryan continues to extend his reach into the community. Whether speaking about the power and joy of music study in his TED talks or engaging in community activism, Clark is committed to community. He speaks regularly at events, is featured on radio and television and continues to expand inclusive arts programming at The Aeolian's Education Campus
