I would like to extend a warm welcome on behalf of myself and the residents of Barrie – Springwater – Oro-Medonte to all the participants in the 42nd Barrie Kiwanis Music Festival.

This festival brings many enthusiastic and like-minded people together as the festival welcomes over seven hundred entries in categories such as piano, string, voice and music theatre, and school and community ensembles. This truly is a great example of a community event with immeasurable efforts from many volunteers and organizing teams. The impact of this festival for our community is significant with recognition and encouragement for musicians of all ages. Congratulations to all those involved for creating a great festival experience for so many to enjoy.

Thank you to each participant for their passion, commitment, and dedication to music and for the willingness to share your talent, and to the parents and friends who continue to support those goals and cheer these artists on day after day. Finally thank you to adjudicators who travel from across Ontario to be here and share their own talent and wisdom.

Music brings people together. Music is powerful. A few notes can quickly bring a smile or even a tear. Music unites us.

I welcome you all to our community to celebrate music and all the gifts it brings. And I wish you all great success at the Barrie Kiwanis Music Festival.

Sincerely,

It is with great anticipation and excitement to welcome the 42nd annual Kiwanis Music Festival to Barrie this spring. This event is so important as it provides an opportunity for those in our community to showcase their musical talent and allows us to celebrate them.

This year marks three years since COVID-19, and there has been an ongoing effort to rebuild and grow this festival. It's great to see that there are more than 700 registrations this year, the festival has not only recovered but is flourishing.

This event would not be possible without the work of volunteers and organizers who work tirelessly to bring this event to life. So, I would like to extend a sincere thank you to them.

As well, I would like to thank and congratulate the musicians who will take part in this festival. Performing is not something that comes easily or naturally to many, so I commend the fact that you are willing to step out of your comfort zone to share your talents on this big stage. Whether it's your first time on stage or you are a returning performer, you should be proud of your commitment and dedication to bringing joy to so many in music.

Welcome the Kiwanis Music Festival, and welcome again to Barrie and area. Enjoy the music everyone!

Welcome to the Barrie Kiwanis Music Festival!

I'm Doug Downey, your MPP for Barrie – Springwater – Oro-Medonte, and Ontario's Attorney General. It is my great pleasure to welcome you all to the 42nd edition of the Barrie Kiwanis Music Festival.

This festival creates the opportunity for over 700 different musicians to share their gifts and to be graded in a competitive setting, across multiple disciplines, including Piano, Strings, Voice and Music Theatre, as well as School and Community Ensembles. Throughout the month of April, these talented musicians take to the stage and remind us all of the power of music and how it can impact our lives. To all of our competitors, I want to congratulate you on your achievements thus far. Sharing your talents can often affect others in ways you can never imagine. The pursuit of musical excellence is never easy, but always worthwhile. Congratulations on all you have achieved thus far, and all you will achieve during this festival.

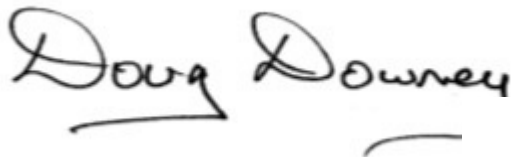

It is also important to thank those who support the participants in this festival. The music teachers, choir directors, and accompanying musicians create a space in which musical excellence may be pursued and achieved. Their dedication to sharing knowledge and their passion for music continues to inspire future generations to pursue a musical education.

To the parents, guardians, family members, friends and supporters, thank you for sharing in your loved one's desire to pursue music. I am sure you already see the benefits of a musical education in their life. These are important skills that your children will take with them as they grow.

Finally, I want to thank the Barrie Kiwanis Festival for continuing to host this event in our riding. This festival is an incredible showcase, not only of local talent, but of the city of Barrie itself. With five venues participating across Barrie and Simcoe County, the best of our region is once again on display. Thank you to these host venues for participating again in the Kiwanis Music Festival. Your support makes this possible.

I hope everyone enjoys the music, the talent, and the sense of comradery that comes with events like these. Should you need anything from my office during this festival, please do not hesitate to ask, and my team will do their best to help you.

Congratulations to all the competitors, volunteers, adjudicators who make this festival possible. Best of luck, and enjoy the music!
