Choral - School & Community Groups Syllabus

Choral - School & Community Groups

A variety of opportunities have been designed at the Barrie Kiwanis Music Festival, particularly to support school and community music groups. Some of these involve traditional Festival classes at our venues. Others allow you to have the adjudicator come to your location to provide similar experiences to your students, but in your own building.

It is the responsibility of every Competitor and/or Parent/Guardian and/or Teacher to ensure that they have read and complied with the current Syllabus and all the rules and regulations governing the Barrie Kiwanis Music Festival.

Prior to registering, we invite you to read the FAQ's.

In classes where age limit is specified, competitors must be the prescribed age or under as of December 31st of the previous year and must state their age on the online registration form.

BRING THE ADJUDICATOR TO YOUR SCHOOL

These classes are designed to allow schools to bring a BKMF Adjudicator to them, saving the cost of bussing. The day or half-day can accommodate any combination of ensembles, solos, duets, chamber groups etc. as suits the needs of the school program. The flyer below was created in 2024 when we began this program. It will be updated with a few extra details for 2025 soon, but the basis of the program is generally the same.

***Please note that for initial registration and payment you need only to sign up for this program with your school name and director's name. Once your registration is received, you will be sent a link to specify which ensembles, performers etc. will be participating and a schedule will be developed specifically for your school and your needs, based on the performances you would like to have incorporated into your half day / full day.
