

Special Competition Classes

These classes represent specialty competitions that are offered in partnership with other Arts organizations in our area.

These competitions may be adjudicated by a panel of judges. A winner will be chosen and in most cases, the winner will have the opportunity to perform with the sponsoring organization. Please see each of the competitions for more details and eligibility requirements.

It is the responsibility of every Competitor and/or Parent/Guardian and/or Teacher to ensure that they have read and complied with the current Syllabus and all the rules and regulations governing the Barrie Kiwanis Music Festival.

Prior to registering, we invite you to read the FAQ's.

In classes where age limit is specified, competitors must be the prescribed age or under as of December 31st of the previous year and must state their age on the online registration form.
