

# Barrie Music Festival Association Scholarship Program

The Barrie Music Festival Association annually distributes Scholarship Awards to participants in every discipline. There is always one award for the **Most Outstanding Performer** in each discipline which is dependent on the number of classes entered and a minimum mark attained. There are other Scholarships awarded, entirely at the discretion of each Adjudicator in every division, which may or may not be the highest mark, but could be for imagination, discipline, potential demonstrated, musicality or even just a special “spark” that caught the Adjudicator’s attention.

This is an extremely important program at the Barrie Music Festival and this recognition talent and hard work has made a difference to many of our participants in terms of re-firing the passion to continue their studies. The monetary award allows them to purchase books, equipment or to invest in more education.

We need your help.

The Barrie Music Festival Association is a non-profit organization working diligently to cover all operating costs with entry fees and some Corporate Sponsorship, which leaves very little to distribute among these very worthy and talented participants. Please consider a gift to the Scholarship Program to assist us in encouraging our local amateur musical talent to continue on their journey toward excellence. **THANK YOU FOR YOUR CONTINUED SUPPORT!**
