

Music in the Mall

February 6 - 8, 2020

The Barrie Music Festival is pleased to announce that we will be hosting Music in the Georgian Mall. Music in the Mall allows music students a chance to share their musical talents with the public. Music in the Mall showcases solo performances, piano performances, duets and small ensembles. It is a wonderful event for young and old alike.

Visit us at the Georgian Mall in the courtyard outside of the Shoppers Drug Mart.
